OBERAMMERGAU PASSION PLAY AND DANUBE RIVER CRUISE
August 18 – 31, 2022

Please join us on our upcoming cruise/tour package to the Oberammergau Passion Play & Viking Danube River Cruise” August 18 – 31, 2022, which includes the Passion Play Performance in Oberammergau, Germany, 1-Night in Munich, 2-Nights in Salzburg, and a 7-Night Danube River Cruise from Passau, Germany to Budapest, Hungary. This cruise/tour is selling fast, and presently there are only three French Balcony Staterooms (with floor to ceiling glass sliding doors) to choose from. Viking's Longships hold only 190 passengers creating an intimate travel experience, which is why they sell out quickly. After the Oberammergau Passion Play was canceled this year, (which was rescheduled to 2022) we decided to include it as part of this cruise/tour package which makes this itinerary especially attractive, along with Viking's Risk Free Guarantee which offers passengers some peace of mind making travel plans so far into the future with today's uncertainty. We have been on many Viking River Cruises and have the utmost confidence in their company and how they operate their tours and are extremely excited to offer their Passion Play & Danube River Cruise Package to you.

Although Viking Cruise Lines has other itineraries and dates available for you to choose from, there are benefits of selecting this cruise itinerary and departure date. First, as a group booking, a \$125.00 per person discount will be applied to this cruise package price. This group discount applies only to this itinerary and these cruise dates. You only receive this exclusive group discount if you book this cruise through us. Second, for this group booking, we have negotiated the final payment to be deferred from December 31, 2020 to March 1, 2021. Third, you will have an opportunity to travel with other people near your area, and if the group size is at least 32 people, the tour will be escorted by B&S Excursions. Please keep in mind, when you commit to booking this cruise/tour, there is no guarantee it will be escorted, and you may have to make your own transportation arrangements to the airport.

Shelly and I have been to all of the stops on the itinerary and each place has a special uniqueness to it. This truly is "first come, first travel". Viking has a limited number of cruises available and their ships can accommodate fewer than 200 passengers, and we know this cruise will sell out quickly because of the Passion Play. If you are interested in this tour, it is imperative you contact us immediately.

If you are not interested in the Danube River Cruise or the dates we have selected do not work for you, please contact us so we can research alternative rivers (Rhine River) or dates that fit your calendar.

For those of you that really aren't into cruising, we can offer you a wide selection of land tours with Collette Vacations. We have worked with Collette for decades, sending dozens of our individual clients on tours all over the World. We know you will be in great hands. If this is something you would like to consider, please let us send you some information.
